SHOWROOM

Our Journey

02

03

The Plan

- Filter Feature
- Reservation System
- Maps for store location
- Categorization
- Aesthetic Design
- User profile with loyalty points
- Subscription Model

04

The Good

- Fulfilled all the requirements
- Team coordination
- Regular weekly meetings
- Communication with all stakeholder
- Organization
- Managed to complete whole SDLC
- Continuous Feedback

05

The Bad

- Prioritization
- Time goal wasn't reached
- Coordinating meeting schedule
- Lack of real store collaboration
 - Language barrier
 - Lack of Local network

Future Goals

Business

- Partnerships
- Marketing
- Community engagement
- User Experience Optimizing

Technical

- Mobile App
- Solution for closed stores
- More features and functions
- More categories

Team

- Team development
- Legal and accounting members
- Financial Plan
- Expansion of location

Our Learnings

- Important features, done first
- Better tool for arranging meetings
- More time on testing
- More research on the market, partnerships and legal aspects
- Gao can scream
- Drinking can help a LOT with coding _Nippon

**Thank
you!**
